

A vibrant blue watercolor background with a textured, brush-stroke appearance. The color transitions from a deep, rich blue at the top to a lighter, more translucent blue at the bottom. The edges of the watercolor are slightly irregular and feathered. Centered on this background is the text "Be Awesome Today" written in a clean, white, cursive script. The words are stacked vertically: "Be" on the top line, "Awesome" on the middle line, and "Today" on the bottom line. The overall composition is simple and motivational.

Be
Awesome
Today
